Remarks

Enjoy the true tranquility of Williams Township in this low-maintenance ranch. If you want to be off the beaten path, yet be close to town and the convenience of Route 78, this is your home. The home is accessible through a private road right off Morgan Hill road. This extremely well-built and maintained home features two stone fireplaces, replacement windows, central air, fully tiled bath, patio, deck, and a wonderful private and immense yard. The floors were recently refinished and all the windows are newer. This home is an estate and it will be sold as is. If peacefulness is what you crave, if you want coming home to feel like a retreat, if you love nature, then this is the home for you. The home is located approximately 1/2 mile from new golf course.
